

# МоиЗэго Privacy Policy

**Revision: 17 February 2026**

This Policy describes how the МоиЗэго service (bot, web application, and related products), managed by Sole Proprietor **Pavel Aleksandrovich Kondakov** (the “Company”), collects, uses, and protects data.

---

## 1. General

- 1.1. The Policy complies with Russian Federal Law No. 152-FZ “On Personal Data” and other applicable regulations.
- 1.2. By using МоиЗэго, the User confirms their consent to this Policy.
- 1.3. The Company protects data from unauthorized access, disclosure, or misuse.

## 2. Data We Process

### 2.1. Minimal technical data:

- messenger identifier (Telegram ID) or web session ID;
- technical logs (timestamp, IP address, device/browser type);
- cookies or similar technologies (for the web version).

### 2.2. Voluntarily provided data:

- test answers, notes, comments submitted by the User;
- contact information (email, nickname) if the User provides it for feedback.

2.3. **The Service does not request or process** passports, residential addresses, health data, or other sensitive categories unless the User shares them on their own.

2.4. **We do not use data to train AI models** and do not transfer it to third parties, unless required by law or necessary to ensure service functionality (e.g., hosting providers, payment processors with their own policies).

## 3. Purposes of Processing

- providing access to МоиЗэго functionality;
- ensuring stable operation, diagnostics, and quality improvements;

- responding to User inquiries;
- fulfilling legal obligations (accounting, taxation, etc.).

#### **4. Third-Party Sharing**

4.1. Data may be shared with:

- hosting and infrastructure providers;
- messengers (e.g., Telegram) under their policies;
- analytics/notification services in the minimum necessary volume.

4.2. External contractors are bound by confidentiality obligations.

4.3. The Company does not sell or disclose data for marketing without explicit consent.

#### **5. Storage and Security**

5.1. Data is stored on servers in compliance with Russian data localization requirements.

5.2. We apply technical and organizational safeguards: encrypted channels, access controls, event audits.

5.3. Protective measures are reviewed and updated regularly.

#### **6. User Rights**

Users may:

- request details about their data processing;
- request correction or deletion when no legal grounds for retention exist;
- withdraw consent by ceasing to use the Service and emailing **team@my3ego.ru**.

#### **7. Cookies & Analytics**

7.1. The web version may use cookies to simplify authentication, personalize the interface, and analyze behavior.

7.2. Users can disable cookies in browser settings, but some features may become unavailable.

#### **8. Changes**

8.1. The Company may update this Policy; the latest version is published in the Service.

8.2. Continuing to use the Service after updates implies acceptance.
